

NOTICE OF JOB OPENING

Bore Crew Locator Technician

Starting rate depends on experience

Plateau is accepting applications for a Locator Technician for our Bore Crew. The successful candidate must reside in, or within, a 30-minute drive of Clovis, NM.

Duties will include locating buried copper and fiber cables and other company facilities using company provided locator equipment as well as operating a directional bore rig's locating device in support of bore operations. This position will also assist the directional bore operator with equipment set up, placing duct or cable, and routine maintenance. Minimum requirements include ability to lift at least 50 pounds, a valid driver's license with clear 3-year driving record, and the ability to perform physically exerting tasks with routine exposure to dust, dirt, wind, and temperature extremes. Previous experience with mechanical and electrical power tools is required, and a basic understanding of electronics is preferred.

This position is subject to overtime requirements as needed to meet production standards and extensive travel throughout New Mexico (including some overnight stays) is required.

This position is eligible for a variety of exceptional benefits, including company-paid medical, dental, vision and prescription insurance, 100% company-paid annuity pension plan, 401k, generous paid time off and paid holidays.
