

## **NOTICE OF JOB OPENING**

### **Construction Superintendent.**

Plateau, your local telecommunications services and systems provider, is accepting applications for a Construction Superintendent for our Mainline Crew.

The Construction Superintendent oversees a telecom construction crew, including cable splicers, line and ground workers, and heavy equipment operators on job sites throughout the Plateau serving area. Other responsibilities include: pre-surveys job sites to determine need for workers, equipment, materials, parts and safety provisions; schedules personnel for projects; and directs daily work activities to ensure quality and productivity. Responsible for ensuring use of prescribed safety equipment and procedures as well as ensuring all equipment maintenance is performed and documented per schedule. Position consists primarily of field construction activities with limited administrative office duties.

At least three year's previous experience in telecom construction is required, with one year's experience at the foreman or superintendent level. Requires clear 3-year driving record and the ability to promptly obtain a New Mexico CDL License. A strong focus on safe and efficient working procedures is expected. This is a physically-exerting position with routine exposure to dust, dirt, wind and temperature extremes.

This position is eligible for a variety of exceptional benefits, including company-paid medical, dental, vision and prescription insurance, company-paid annuity pension plan, 401k, generous paid time off and paid holidays.

Apply online at <http://www.plateautel.com/company/careers/>. This is an immediate opening – apply today! Applications will be accepted until position is filled.

Plateau is an Equal Opportunity Provider and Employer and a Drug/Alcohol-free Workplace.
