

NOTICE OF JOB OPENING

Network Operations Center (NOC) Technician

Plateau has an immediate opening for a full-time Network Operations Center (NOC) Technician for our Clovis, NM Headquarters location. The NOC Technician is responsible for the day-to-day monitoring, maintenance, and operations of various telecommunications service delivery network elements. Examples of network elements include voice switch and voice mail system, access tandem, fiber and copper access equipment, Operator Services systems, optical transport network, and fixed wireless network.

Minimum requirements to apply include: intermediate-level knowledge and experience of IP networking, superior organizational skills and attention to detail; proficient computer/ keyboarding skills; and an aptitude for learning new software applications. The ability to handle multiple activities occurring simultaneously in multiple systems, work well in a fast-paced team environment, and ensure timely and accurate data entry is also required.

The normal schedule for this position is Monday through Friday from 8am to 5pm but flexibility to work variable shifts, weekends, holidays, overtime and callout hours in order to meet the operational needs of the department is required.

This position is eligible for a variety of exceptional benefits, including 100% company-paid medical, dental, vision and prescription insurance, 100% company-paid annuity pension plan, 401k, generous paid time off and paid holidays.

Apply online at www.plateautel.com/company/careers/. This is an immediate opening – apply today! Applications will be accepted until position is filled.

Plateau is an Equal Opportunity Provider and Employer and a Drug/Alcohol-free Workplace.
