

## **NOTICE OF JOB OPENING**

### **Network Supervisor**

**Clovis, NM**

*Starting rate depends on experience*

Applications are being accepted for a Network Supervisor for Clovis, NM.

Primary responsibilities include supervising day-to-day workload distribution of all Network Technicians and assisting network personnel with troubleshooting, testing, maintenance, and repair and installation of central office and carrier grade network communications equipment to ensure optimal performance and reliable services to our customers.

Minimum requirements to apply include demonstrated leadership and supervisory skills and a high level of accuracy and attention to detail. Previous experience with telecommunications networks, SONET, DWDM, long haul transport services, and an extensive optical fiber splicing experience are required. An Associate's degree in Electronics/Telecommunications, or equivalent is preferred. This position requires proficient skills with common computer applications, DC power, telco grounding standards, small hand and power tools, and telecommunications testing equipment. Training and/or certification related to IP Networking is recommended. The ability to lift up to 100 pounds and the ability to work without close supervision are required. A valid driver's license and a clear 3-year driving record are required. This position may require performing physically demanding tasks in weather and temperature extremes, as well as extensive daytime and nighttime driving throughout Plateau's geographic serving area.

This position is eligible for a variety of exceptional benefits, including 100% company-paid medical, dental, vision and prescription insurance, 100% company-paid annuity pension plan, 401k, generous paid time off and paid holidays.

Apply online at <http://www.plateautel.com/company/careers/>. This is an immediate opening – apply today! Applications will be accepted until position is filled.

Plateau is an Equal Opportunity Provider and Employer and a Drug/Alcohol-free Workplace.
