ANNUAL REPURI 2022

Thank You

PLATEAU

TRIED. TRUE. TRUSTED.

A Joint Message

From the President of the Board and the Chief Executive Officer

Dear Members,

We are proud to present our annual report for the 2022 operating year. During a year of extreme economic challenges that left many companies struggling, your Cooperative was able to navigate with resilience and perseverance, thanks to the hard work and dedication of our Board and employees.

In 2022, we made more progress towards our goal of providing fiber to every member. Almost 200 more miles were added to the existing 5,300 mile fiber network. This is no small feat, as the terrain in our rural service area is difficult to navigate and much of it consists of solid rock.

Our financial performance remained strong, with net income of over \$7 million. This was achieved through a combination of strategic planning in key areas, effective cost management measures and a focus on operational efficiency. The cost to bury fiber is expensive and that figure continues to increase. Fortunately, your Cooperative has applied for and received grant funding to help defray those expenses immensely and secure resources for future buildouts.

The Board and staff share a goal to support the communities in our region and being a good neighbor is important to us. Last year, your Cooperative supported students attending college, sponsored local community events, and helped area teachers obtain much needed supplies through classroom grants. Capital credit checks totaling \$3.9 million were mailed to members in December for the 32nd straight year.

Finally, we would like to extend our heartfelt gratitude to our members for their unwavering support and continued trust in us. We remain committed to delivering value to our members, and the communities we serve, and look forward to another successful year.

We are Plateau. Tried. True. Trusted.

Sincerely,

Lany Wallin
