

## **NOTICE OF JOB OPENING**

### **Network Operations Center (NOC) Technician** **Clovis, NM**

Plateau is accepting applications for a **Network Operations Center (NOC) Technician** for our Clovis, NM Headquarters location.

The Network Operations Center is responsible for 24x7x365 monitoring, maintenance, and operation of various telecommunications service delivery network elements. Examples of network elements include voice switch and voice mail system, access tandem, fiber and copper access equipment, operator services systems, optical transport network, and fixed wireless network.

Minimum requirements to apply include intermediate-level knowledge and experience of IP networking, superior organizational skills and attention to detail; proficient computer/ keyboarding skills; and an aptitude for learning new software applications. The ability to handle multiple activities occurring simultaneously in multiple systems, being able to work well in a fast-paced team environment, and ensuring timely and accurate data entry is also required.

The regular schedule for this position will be between 8 am to 5 pm (Monday through Sunday) and 12 pm to 9 pm (Monday through Friday), depending on shift availability. Flexibility to work variable shifts, weekends, holidays, overtime and callout hours as needed in order to meet the operational needs of the department is required.

This position is eligible for a variety of exceptional benefits, including 100% company-paid medical, dental, vision and prescription insurance, 100% company-paid annuity pension plan, 401k, generous paid time off and paid holidays.

Apply online at <http://www.plateautel.com/careers/> . This is an immediate opening – apply today! Applications will be accepted until position is filled.

Plateau is an Equal Opportunity Provider and Employer/Veterans/Disabled and a Drug/Alcohol-free Workplace.
