

NOTICE OF JOB OPENING

Project Engineer Clovis, New Mexico

Plateau is now accepting applications for a full-time Project Engineer for our Clovis, NM headquarters location.

Primary responsibilities for this position will include planning and coordinating various business development projects, assisting Sales Coordinators with the planning, coordination and turn up of special circuits to ensure the deliverables meet customer requirements for quality and timely delivery. The Project Engineer will also work with third parties to determine requirements for network interconnects to expand revenue opportunities.

This position requires a clear 3-year driving record and the ability to drive throughout Plateau's geographic serving area during daytime and nighttime hours. Intermediate to advanced proficiency in Microsoft Office applications and a thorough understanding of telecommunications technologies are a must. The successful candidate will also be detail oriented and will have strong communication and customer service skills.

This position is eligible for a variety of exceptional benefits, including 100% company-paid medical, dental, vision and prescription insurance, 100% company-paid annuity pension plan, 401k, generous paid time off and paid holidays.

Apply online at <http://www.plateautel.com/careers/>. This is an immediate opening – apply today! Applications will be accepted until position is filled.

Plateau is an Equal Opportunity Provider and Employer and a Drug/Alcohol-free Workplace.
