Frank Garnett elected ENMR Board President

In a pivotal transition for the organization, Frank Garnett has been elected as the new President of the Board of Directors, succeeding the late Larry Wallin, who passed away on July 6, 2024. Garnett, a dedicated and long-serving board member, brings a wealth of experience and a deep commitment to the community.

Representing Districts 6, 7, and 8, Garnett

has been a Director since 2014. His extensive tenure on the board has equipped him with a thorough understanding of the challenges and opportunities facing the organization and the regions it serves. A resident of Nara Visa, New Mexico, Garnett is deeply rooted in the area and has consistently advocated for the interests of his constituents.

When asked about his motivation to join the Board of Directors, Garnett shared his passion for community service and desire to make a positive impact. "The opportunity to represent the members in our area is something I felt a need to do. I am constantly trying to find ways to improve our area and expand my knowledge. As many of us know, it's easy to get overlooked in rural areas, so when the opportunity opened, I decided I wanted to be a part of this amazing company I have heard such great things about," he said.

Garnett's election marks a new chapter for the Board, and his leadership is expected to continue the organization's legacy of dedicated service and commitment. His focus on improving the community and ensuring that rural areas receive the attention they deserve will be central to his presidency.

As Garnett steps into his new role, the Board and the community look forward to the positive, continued growth his leadership will undoubtedly bring.
