

BOARD APPROVES CAPITAL CREDIT RETIREMENT

YOUR CAPITAL CREDITS

At their regular October meeting, the Cooperative Board of Directors approved the retirement of \$2.5 million in capital credits. Individual Cooperative member checks are scheduled to be mailed the first full week in December. This marks the 36th consecutive year the Cooperative has retired capital furnished by its members. The amount retired from a member's allocated total is paid to the member in the form of a check.

Capital credit retirement checks are mailed to the last known address supplied to the Cooperative. It is important to notify Plateau of any address changes so future retirements can be forwarded. It is also recommended that members keep capital credit information with their important papers, so family members will know of future retirements.

Questions regarding capital credit retirements, or if allotted payments have not been received by December 31, should be directed to Plateau at 1.877.PLATEAU (752.8328).

OCTOBER BOARD MEETING HIGHLIGHTS

The Cooperative Board of Directors met on October 23. Here are some highlights from the meeting:

- The Board approved the applications of 44 new members to the Cooperative.
- A construction report was presented to the Board:
 - 39 work orders were completed.
 - Projects were completed in Corona, El Valle, Roy, Conchas Dam, and Anton Chico.
 - Numerous projects are currently in the construction phase.

The next regular Board meeting is scheduled for November 20 at the Cooperative business offices north of Clovis.

PLATEAU

COMMUNITY SAFETY FIRST

At Plateau, we're proud to support our local communities. In October, the Cooperative donated a weather siren to the Village of Roy. Our very own Board Director, Bruce Scott, had the honor of presenting the siren at the Village's council meeting, reinforcing our commitment to safety and community partnership.

This addition will help keep residents informed and safe during severe weather events. We believe in looking out for our neighbors—because together, we're stronger, safer, and more connected.
