

NATIONAL APP DAY

On December 11th, we celebrate National App Day, and the apps that help us work, connect, and stay organized. From early developments in 2008 to the millions of titles available today, apps have reshaped how we communicate, manage our homes, and entertain ourselves. Created in 2017, the day invites people to share favorite tools and tips, and it's a perfect moment to spotlight one app that serves our members directly: the **Plateau Wi-Fi App**.

The Plateau Wi-Fi App enables members to have seamless control over their home networks from their mobile devices. Designed for households and home offices alike, it makes keeping things secure, organized, and connected easier than ever.

The Plateau Wi-Fi App is available for download on Google Play for Android users and through the Apple App Store for iPhone users. Features may vary based on the plan and compatible hardware you have at home.

Take a moment for National App Day: organize your home screen, leave a review for a favorite app, or try a new feature on the Plateau Wi-Fi app. Share your experience and help neighbors discover digital tools that can make everyday life simpler and safer.

Download the Plateau Wi-Fi app today!
